General Information:

Deadline for Registration: 2 weeks prior to workshop date. Registration is required. Classes with less than the minimum registrants by the deadline may be cancelled, and fees returned to those unable to register for an alternate workshop.

Where to Meet: All programs begin at the Lewis and Clark Interpretive Center, 4201 Giant Springs Road, unless otherwise indicated. An information packet sent when registration is received will explain the logistics for each program.

Cancellation Policy: We will refund 75 percent of tuition for cancellations made at least 30 days prior to the program for which registered. No tuition will be refunded for cancellations after that time, though the fees may be applied toward another program that has space available during the same season of offerings. No exceptions to this policy will be made, including personal emergency or weather. Should the Institute cancel a program for which a fee has been paid, all fees will be returned.

Academic Credit: The programs offered in 2004 are suitable for teacher renewal credits through the Montana Office of Public Instruction for no additional fee, upon request. Semester credit through Montana State University, Northern may also be arranged when taking 2 or more

offerings.
